

Pollinator Planting

Saturday, May 30, 8:30 am - 12:00 pm
Chanhassen Nature Preserve
Norex Drive, Chanhassen MN 55317

Create pollinator habitat

Join volunteers in planting and seeding a variety of pollinator-friendly species at Chanhassen Nature Preserve. The preserve includes miles of trails and oak woodland surrounding a beautiful lake. This fun, family-friendly event supports our Pollinator Seed Initiative and will ultimately create hundreds of acres of nesting and breeding habitat for bees, butterflies, and other critters. Your volunteer efforts will sustain pollinators for years to come.

Light breakfast, snack, and lunch provided. All ages welcome, but children must be supervised.

Pre-registration is required, so sign up today.

Needed:

100 Restoration Volunteers
12 Volunteer Supervisors*

* Contact us if YOU want to manage volunteers as a Volunteer Supervisor.

No experience necessary and free training is provided.

Register at GreatRiverGreening.org/vol-events/

or contact Genna Mastellone, Community Outreach Coordinator
volunteer@greatrivergreening.org or (651) 272-3993.

Partners & Funders: City of Chanhassen and the Environment and Natural Resources Trust Fund.

RESTORING LAND, WATER AND WONDER

Great River Greening inspires, engages and leads local communities in conserving and caring for the land and water that enrich our lives. Our events are fun, educational and rewarding. Join us and make a difference!
